Chantier Naval et Industriel du Cameroun s.a.

CAMEROON SHIPYARD AND INDUSTRIAL ENGINEERING LIMITED

CNIC

PRESS RELEASE

0 7 OCT 2026

Notice to remove the wreck of the vessel St LAURENT – Cleaning and sanitation project across CNIC sites.

The **Interim General Manager** of the **Cameroon Shipyard and Industrial Engineering Ltd (CNIC)** hereby informs the national and international public that a major cleaning, sanitation, and site clearance operation is currently underway across all the company's production facilities.

To ensure the smooth execution of these works without delay, the owners of the wreck of the vessel **St LAURENT**, which has been abandoned for several years at the General Directorate site, are requested to take all necessary measures to reclaim and remove their property within eight (08) days from the publication of this press release.

Upon expiration of this deadline, the wreck will be legally treated as abandoned waste and processed accordingly, at the owner's risk and expense.
